Howard Movement of Stocks Said to Have Reached Its Limit.

## REACTORY MOVEMENT SETS IN

News of New England Mills Resuming Helped to Hold the List for Awhile—The Total Sales and Closing Quotations.

(By Associated Press)

NEW YORK, June 2. — The bull movement in stocks showed some evidence of overstrain today. The stress of the first hour's active operations and forced advances left a residue of reactionary effect. During that hour the rate of activity was greater than has been witnessed at the New York Stock Exchange in a period of considerably over a year. Transactions in Union Pacific were especially heavy.

A good effect was produced on speculative sentiment by the morning's report of resumption of mill activities in New England and some larger merchandise orders placed in concert by St. Louis people. Textile trade reports describe the good effect of the curtailment of production in that trade, the consequent depletion of stocks and the reduction of prices following the lowering of wages.

The government's report on cotton conditions and the weather bureau's summarized weekly bulletin kept alive attention to possibilities of crop deterioration. Some sensitiveness was shown to the day's weather reports from parts of the crop region.

Bonds were irregular. Total sales for value, \$3,766,000. United States bonds were unchanged on call. Total sales today \$81,000 shares, including: Copper 30,300; Smelting 30,100; Sugar 400; Tobacco 600; A. C. L. 600; C. & O. 14,400; St. Paul 52,600; L. & N. 800; N. & W. 1,100; Reading 111,100; Southern Pacific 35,300; Union Pacific 276,700; United States Steel 61,900; Virginia Carolina Chem.

## SECOND DAYS RESULTS OF O. P. C. C. FIELD DAY

Carey the Particular Star of This Year—Commencement to Take Place on June 25.

Several of the college records were broken in the second day meet of the annual field day sports of Old Point Comfort College yesterday. The crowd present yesterday was not as large as on Monday, but the events pulled off proved even more exciting than the first day's meet.

John J. Daly, a Phoebus boy, now attending the Catholic University in Washington, held the record of the college for the thirty-five yard dash until yesterday, when he was tied for that honor by Carey, who covered the distance in five seconds.

## HEAVY HITTERS WIN FROM THE C. &amp; O. CLERKS

"Southpaw" Roberts Lost Control, or the Story Would be Different.

Giving twelve free passes to the first station and uncorking five wild pitches, "Southpaw" Roberts, twirler for the nine of the Chesapeake & Ohio Railway clerks, lost his game with Jimmie Reynolds' "Heavy Hitters" on the Casino diamond yesterday afternoon. The final score was 5 to 3, the clerks holding the low count.

The game was fast and unusually cleanly played and the two hundred or more fans in attendance were well pleased with the performance. The clerks pulled off a couple of fast double plays and hammered the ball hard. Tom Reynolds pitched a steady game, passing both two men and striking out seven. Roberts was very wild, but when he located the plate, the heavy hitters were unable to do much with his twisters. Four of the heavy hitters' runs resulted from free passes and wild pitches.

You may frequently find a "wanted ad. opportunity" really worth "looking into."

A few "want ads. walks" about your neighborhood—or about the city—may be healthful and profitable to you.

A few street-car rides, for the longer trips, will prove to be really wise investments for your nickels—and half-hours.

Once in a while you may be "too late," or the thing offered may not quite appeal to you—but the same sort of experience awaits you in all other business affairs.

The point is: You are probably taking it for granted that it will not pay you to answer want ads. Instead of doing that, test the matter as fairly as you would test any other business proposition.
